Early days

He got his name from his grandmother who called him "her little prince" when he was a baby, Since then family and friends has called him Prince. The DJ also known as Vikram Rai was born in New Delhi, India in 1971, but he has been living in Norway since 1976.

DJ Prince was enlightened in 1986 by a DJ Cheese (world record mixing champion of '1986) live performance in Stavanger. DJ Prince has participated in the DMC Norwegian mixing championship finals in 1989 and 1990 and has been rated as one of Norways top jocks for many years.

Technology is #1

DJ Prince is a freelance DJ in the weekends, and during office hours he works as a senior system consultant at Allianse eXchange. Got problems with you Network or need a web solution? He'll take care of it!

Music projects

DJ Prince is a very busy man indeed, besides DJ'ing, daytime job, webmaster for www.djprince.no and family life he is also involved in various musical projects, either as a producer or as a remixer. He has with collaborating parties had several top dance hits in Scandinavia, Europe, Japan and USA. His music has received good reviews both in MixMag and Muzik magazine.

Got to have

Summer 2000 togheter with "partner in crime" Justin K he released a whitelabel titled "Mixmad -Got to have". This record was a instant smash and huge success all over the world. After the samples was cleared the record got an official release on Mobizz records in 2001 in Europe and Groovelicious in USA. "Got to have" is featured on over 30 compilations around the world, from South Africa to Japan. In USA it went to number 3 on the Billboard dance chart and in Norway it stayed at no 1 for 3 weeks on the Norwegian dance chart. "Got to have" was also featured in the american tv series called "queer as folk".

The importance of good company

He has been DJing in Mallorca, Spain from 1992 through 1995 and also been traveling all around Norway playing at the biggest clubs and parties. In 2001 he signed up with Klubbheads label Mobizz and Strengholt music group for music publishing. He has also contributed with his knowledge on harmonic mixing in the very successful book by music journalists Bill Brewster and Frank Broughton. Being mentioned in the same sentence as Sasha, Paul Oakenfold and Grandmaster Flash was definitely a career highlight.

Music style

DJ Prince plays a fine mix between pumpin` house and bangin` trance, but are not afraid of wander into other styles of house music either. With his unique mixing skills, using harmonic mixing blended with some turntable trix he is truly a dj`s dj.
