Notes: Dash indicates that data are not available or that percent changes are not calculated when base numbers are less than 50.

Data were submitted to the Criminal Justice Statistics Center by the cutoff date of February 19, 1997.

The California Highway Patrol reports motor vehicle theft for some county sheriff's departments. Therefore, sheriff's department figures for this category may not reflect all reported motor vehicle thefts.

<sup>1</sup>The FBI Crime Index total includes the California Crime Index total plus larceny-theft and arson.

<sup>2</sup>1995 arson counts for the Oakland Police Department are not available. Therefore, to maintain comparability of the 1996 data with 1995 data, arson counts are shown but are not included in the subtotals or total jurisdiction counts.
