

~~serves his or her entire term of confinement in a county jail, or is not sentenced to a term of confinement in a state prison facility, or otherwise bypasses a prison inmate reception center maintained by the Department of Corrections, shall as soon as administratively practicable, but in any case, prior to physical release from custody, be required to provide two specimens of blood, a saliva sample, and thumb and palm print impressions as set forth in subdivision (a) of Section 296, at a county jail facility or other state, local, or private facility designated for the collection of these specimens, samples, and print impressions, in accordance with subdivision (f) of Section 295.~~

~~If the person subject to this chapter is not incarcerated at the time of sentencing, the court shall order the person to report within five calendar days to a county jail facility or other state, local, or private facility designated for the collection of specimens, samples, and print impressions to provide these specimens, samples, and print impressions in accordance with subdivision (f) of Section 295.~~

~~(b) If a person who comes within the provisions of this chapter for an offense set forth in subdivision (a) of Section 296 is sentenced to serve a term of imprisonment in a state correctional institution, the Director of Corrections shall collect the blood specimens, saliva samples, and thumb and palm print impressions required by this chapter from the person during the intake process at the reception center designated by the director, or as soon as administratively practicable thereafter at a receiving penal institution.~~

~~(c) Any person, including, but not limited to, any juvenile and any person convicted and sentenced to death, life without the possibility of parole, or any life or indeterminate term, who is imprisoned or confined in a state correctional institution, a county jail, a facility within the jurisdiction of the Department of the Youth Authority, or any other state, local, or private facility after a conviction of any crime, or disposition rendered in the case of a juvenile, whether or not that crime or offense is one set for the in subdivision (a) of Section 296, shall provide two specimens of blood, a saliva sample, and thumb and palm print impressions pursuant to this chapter, as soon as administratively practicable once it has been determined that both of the following apply.~~

~~(1) The person has been convicted or adjudicated a ward of the court in California of a qualifying offense described in subdivision (a) of Section 296 or has been convicted or had a disposition rendered in any other court, including any state, federal, or military court, of any offense that, if committed or attempted in this state, would have been punishable as an offense described in subdivision (a) of Section 296.~~

~~(2) The person's blood specimens, saliva samples, and thumb and palm print impressions authorized by this chapter are not in the possession of the Department of Justice DNA Laboratory as part of the DNA data bank program.~~

~~This subdivision applies regardless of when the person was convicted of the qualifying offense described in subdivision (a) of Section 296 or a similar crime under the laws of the United States or any other state, or when disposition was rendered in the case of a juvenile who is adjudged a ward of the court for commission of a qualifying offense described in subdivision (a) of Section 296 or a similar crime under the laws of the United States or any other state.~~

~~(d) Any person, including any juvenile, who comes within the provisions of this chapter for an offense set forth in subdivision (a) of Section 296, and who is on probation or parole, shall be required to provide two specimens of blood, a saliva sample, and thumb and palm print impressions as required pursuant to this chapter, if it is determined that the person has not previously provided these specimens, samples, and print impressions to law enforcement, or if it is determined that these specimens, samples, and print impressions are not in the possession of the Department of Justice. The person shall have the specimens, samples, and print impressions collected within five calendar days of being notified by a law enforcement agency or other agency authorized by the Department of Justice. The specimens, samples, and print impressions shall be collected in accordance with subdivisions (f) of Section 295 at a county jail facility or other state, local, or private facility designated for this collection.~~

~~This subdivision shall apply regardless of when the crime committed became a qualifying offense pursuant to this chapter.~~

~~(e) When an offender from another state is accepted into this state under any of the interstate compacts described in Article 3 (commencing with Section 11175) or Article 4 (commencing with Section 1189) of Chapter 2 of Title 1 of Part 4 of this code, or Chapter 4 (commencing with Section 1300) of Part 1 of Division 2 of the Welfare and Institutions Code, or under any other reciprocal agreement with any county, state or federal agency, or any other provision of law, whether or not the offender is confined or released, the acceptance is conditional on the offender proving blood specimens, saliva samples, and palm and thumb print impressions pursuant to this chapter, if the offender was convicted of an offense which would qualify as a crime described in subdivision (a) of Section 296, or if the person was convicted of a similar crime under the laws of the United States or any other state.~~

~~If the person is not confined, the specimens, samples, and print impressions required by this chapter must be provide within five calendar days after the offender reports to the supervising agent or within five calendar days of notice to the offender, whichever occurs first. The person shall report to a county jail facility in the county where he or she resides or temporarily is located to have the specimens, samples and print impressions collected pursuant to this chapter. The specimens, samples, and print impressions shall be collected in accordance with subdivision (f) of Section 295.~~

~~If the person is confined, he or she shall provide the blood specimens, saliva samples, and thumb and palm print impressions required by this chapter as soon as practicable after his or her receipt in a state, county, local, private, or other facility.~~

~~(f) Subject to the approval of the Director of the Federal Bureau of Investigation, person confined or incarcerated in a federal prison or federal institution located in California who are convicted of a qualifying offense described in subdivision (a) of Section 296 or of a similar crime under the laws of the United States or any other state that would constitute an offense described in subdivision (a) of Section 296, are subject to this chapter and shall provide blood specimens, saliva samples, and thumb and palm print impressions pursuant to this chapter if any of the following apply:~~

~~(1) The person committed a qualifying offense in California.~~

~~(2) The person was a resident of California at the time of the qualifying offense.~~

~~(3) The person has any record of a California conviction for a sex or violent offense described in subdivision (a) of Section 296, regardless of when the crime was committed.~~

~~(4) The person will be released in California. Once a federal data bank is established and accessible to the Department of Justice, the Department of Justice DNA Laboratory shall, upon the request of the United States Department of Justice, forward the samples taken pursuant to this chapter, with the exception of those taken from suspects pursuant to subdivision (b) of Section 297, to the United States Department of Justice DNA data bank laboratory. The samples and impressions required by this chapter shall be taken in accordance with the procedures set forth in subdivision (f) of Section 295.~~

~~(g) If a person who is released on parole, furlough, or other release, is returned to a state correctional institution for a violation of a condition of his or her parole, furlough, or other release, and is serving or at any time has served term of imprisonment for committing an offense described in subdivisions (a) of Section 296, and he or she did not provide specimens, samples, and print impressions pursuant to the state's DNA data bank program, the person shall submit to collection of blood specimens, saliva samples, and thumb and palm print impressions at a state correctional institution.~~

~~This subdivision applies regardless of the crime or Penal Code violation for which a person is returned to a state correctional institution and regardless of the date the qualifying offense was committed.~~

ARTICLE 3: DATABASE APPLICATIONS

Section 297(a) (1) The laboratories of the Department of Justice that are accredited by the American Society of Crime Laboratory Directors Laboratory Accreditation Board (ASCLD/LAB) or any certifying body approved by the ASCLD/LAB, and any law enforcement crime laboratory designated by the Department of Justice that is accredited by the ASCLD/LAB or any certifying body approved by the ASCLD/LAB, are authorized to analyze crime scene samples and other samples of known and unknown origin and to compare and check the forensic identification profiles, including DNA profiles, of these samples against available DNA and forensic identification data banks and data bases databases in order to establish identity and origin of samples for identifications purposes.

(2) Laboratories, including law enforcement laboratories, that are accredited by ASCLD/LAB or any certifying body approved by the ASCLD/LAB who contract with the Department of Justice pursuant to section 298.3 are authorized to perform anonymous analysis of specimens and samples for forensic identification as provided in this chapter.

~~(b)(1) Except as provided in paragraph (2), a biological sample taken in the course of a criminal investigation, either voluntarily or by court order, from a person who has not been convicted, may only be compared to samples taken from that specific criminal investigation and may not be compared to any other samples from any other criminal investigation without a court order.~~
