**INFORMATION:** The Santa Clara Sheriff's Department is requesting assistance in identifying the suspect who broke into a residence at the Casa de Fruta Recreational Vehicle (RV) Park in Gilroy, California, where he sexually assaulted and robbed a female resident.

**MODUS OPERANDI SUMMARY:** On December 6, 2001, between 0600-0630 hours, suspect entered the 38 year-old victim's unlocked RV while she was in the shower. Victim's boyfriend left for work at approximately 0600 hours. Prior to victim exiting the bathroom, the suspect rummaged through all the drawers in the bedroom. When victim exited the bathroom, the suspect was standing in front of the bathroom door. As the victim turned to grab something to hit the suspect, he grabbed a necklace she was wearing and broke it. Suspect then grabbed victim and cut her shirt, bra, and panties down the middle of her torso with a buck knife. Victim was superficially cut when suspect could not cut through the wire in victim's bra. Suspect then ordered victim to get a condom from a bedroom drawer and put it on him. He slammed her face down onto the stairs leading to the bed. Suspect wrapped a belt around the victim's neck, holding onto it as he raped and sodomized her. He then punched victim in the face. Suspect took victim's driver's license, a picture of her children, and money from her purse. Suspect warned victim that if he saw any police activity in the area he would find her "pretty little girls" and assault them. Suspect took the used condom upon leaving.
